Ms./Sir:

Attached is my cheque of \$5.00 for the following *ATI* Act request:

The clause by clause analysis in English and French of Bill C-25 prepared by the Department of National Defence (possibly the Office of the Office of the Judge Advocate general) for the House of Commons Standing Committee on National Defence and Veterans Affairs (NDVA) that studied the Bill. These documents should be in the committee's wallet (file of the committee) that was sent to Archives Canada by the House of Commons.

Bill C-25, *An Act to amend the National Defence Act and to make consequential amendments to other Acts* / *Projet de loi C-25, Loi modifiant la Loi sur la défense nationale et d'autres lois en conséquence*, received royal assent on 10 December 1998 and went through the 36th Parliament, 1st session (22 September 1997 to 18 September 1999). Bill C-25 became chapter 35 of the 1998 Statutes of Canada.

Once I have the documents and if I obtain subsequent copyright permission to reproduce them at my military web site, www.lareau-law.ca/military.htm, I would reproduce them in pdf format. Can these documents be sent to me on a CD in pdf format please? I do not need the paper copies. I would also ask that any fees, other than the \$5.00, be waived by the appropriate designated authority as these documents will serve the public interest in assisting legal research in the area of military law.

I wish to exercise my right to obtain the documents under the *Access to Information Act*, as Library and Archives Canada is subject to the Act. For personal reasons, I do not wish to do the research myself at your premises. I am sure that the researchers of military law will be pleased by your collaboration. I will post this letter at my military web page. Thank you

Sincerely,

Signature blanked out

François Lareau, LL.M.
