Dear Ms./Sir:

Attached is my cheque of \$5.00 for the following *ATI* Act request:

Two documents prepared by Bronson Consulting Group for the office of the Judge Advocate General. The first one is the *Review of the Canadian Military Prosecution Service*, 31 March 2008; the Bronson Report was authored by Andrejs Berzins and Malcolm Lindsay. The second document, and, I do not have the exact title and less information about it, is a review of the Defence Counsel Services (DSC) organization and I believe would have been produced after 31 March 2008.

If I obtain the documents and if I obtain subsequent copyright permissions to reproduce them at my web site <http://www.lareau-law.ca/military.htm>, I would reproduce them in pdf format. Can these documents be sent to me on a CD in pdf format please? I would also ask that any fees, other than the \$5.00, be waived by the appropriate designated authority as these documents will serve the public interest in assisting legal research. If the documents are obtained, copyright permission will be requested through Public Works and Government Services Canada, Integrated Services Branch, Crown Copyright and Licensing. As DND would be involved, I would appreciate if this matter would be looked at as soon as possible please.

Sincerely,
