TABLES OF CONCORDANCE

These tables do not have any Parliamentary sanction. They have been prepared in the Department of Justice from tables that accompanied the report of the Criminal Code Revision Commission to the Minister of Justice.

**TABLE OF CONCORDANCE SHOWING DISPOSAL
OF SECTIONS OF THE REPEALED CODE.**

NOTE: In the revision some Parts of the repealed Code, notably Parts XVI, XVIII and XXI, have been completely rewritten, with the result that it is not possible to allocate every section to a corresponding section in the new Code. Where this is so the section is not enumerated. For the sections in the new Code it is not possible in every instance to indicate a source or counterpart in the old, especially where new procedures have been substituted.

**TABLE OF CONCORDANCE SHOWING SOURCE OF
SECTIONS IN THE NEW CRIMINAL CODE**

NOTE: In the revision some Parts of the repealed Code, notably Parts XVI, XVIII and XXI, have been completely rewritten, with the result that it is not possible to allocate every section to a corresponding section in the new Code. Where this is so the section is not enumerated. For the sections in the new Code it is not possible in every instance to indicate a source or counterpart in the old, especially where new procedures have been substituted.
